

Learning Disability Week

Kelham Island Pub Art Trail

Learning Disability Week is an annual initiative led by Mencap, designed to raise awareness, challenge stigma and celebrate the talents and contributions of people who have a learning disability. We aim to highlight the importance of visibility, representation and understanding. This is a call to the public to acknowledge, respect and empower individuals who have a learning disability, ensuring they are seen, heard and valued within their communities.

ArtWorks is a not for profit creative arts organisation, inspiring and supporting adults with learning disabilities to achieve their potential and develop important life skills through creative workshops and placements.

A big thanks to the wonderful pubs who are kindly hosting this trail. Find all the art to reveal the clues and discover the hidden word.
